CIP - PROJECTS UNDER CONSTRUCTION

DISTRICT		NAME	PROJECT DESCRIPTION	UPDATE WEEK AUGUST 16-20, 2004
SOUTH BEACH	COLONY THEATER (STH. BEACH, CITY CENTER)	The project entails renovations to the Colony Theater to improve theater operations and performance functions, and provide renovations to comply with ADA Title III requirements.	As of August 16, 2004 Fourth floor beams and columns poured, stage rigging installed, ceiling and electrical work in progress. Lobby work being initiated, pending storefront approval. Water and Sewer taps installed.	
SOUTH BEACH	VICTORY GARDEN (STH. BEACH, SOUTH POINTE)	The project entails improvements to a vacant lot (210 Collins Avenue) to add planting beds accessible to a wide variety of people with disabilities as well as a memorial World War II Art in Public Places components.	Project includes planters, landscaping, sidewalk, pavers, and fence. Project completed. Punch list and close out documents are in process. Art work in fabrication.	
SOUTH BEACH	WASHINGTON AVENUE MASTER PLAN (STH. BEACH, FLAMINGO)	DESIGN/BUILD PROJECT. Streetscape improvements along Washington Avenue per Master Plan. Includes Phases I through V. Improvements include sidewalks, curb and gutter, sidewalk lighting, landscaping, median planting, irrigation and median design elements. Work coordinated with water line replacements, upgrades and drainage upgrades.	Project currently in permitting process. Pre-construction Community meeting was held on July 29, 2004. Preparatory sewer line work completed on 6th Street and commenced on 8th Street. Affected properties advised. Water main crossing to begin week of August 23, 2004.	
SOUTH BEACH	PUMP STATION (CITY WIDE)	The Water and Waste Water Pump Station Upgrades project consist of 24 different locations throughout the City of Miami Beach where different types of improvements (depending on the specific site needs), will be performed.	Construction mobilization complete. Ongoing construction in several locations.	
SOUTH BEACH	PALM/HIBISCUS GUARDHOUSE	The project's scope of work includes the demolition of the existing guardhouse and construction of new accessible structure at the Palm/Hibiscus Island entrance, landscape, extension of the existing irrigation system and the installation of electrical conduits for future gated access system.	Construction is in process, and the project is anticipated to be completed in September, 2004. As of August 6, 2004 building shell is complete, windows and doors installed. Roof tiles, drywall, and interior finishes are scheduled for the week of August 23, 2004.	
SOUTH BEACH	SOUTH SHORE COMMUNITY CENTER (HVAC UPGRADES INCLUDING 1ST FLOOR HVAC REPLACEMENT/REPAIR, 2ND FLOOR TENANT BUILD-OUT, AND REROOFING)	The Scope of Work includes the removal and replacement of the chiller plant, remote condenser unit and two air handling units in the auditorium. Repair and upgrade of (4) Air Handler Units on the second floor, HVAC equipment, duct work, controls, electrical, duct smoke detector, engineering plans at auditorium, demolition of nine (9) existing light fixtures, patch stucco to match existing after demolition.	2nd Floor Tenant Build-Out completed on August 13, 2004. MBHCC currently occupying the 2nd floor. Re-roofing project is anticipated to be completed in September 2004. Elevator upgrades completed on 8/13/2004. Punch list items remaining. Temporary Certificate of Completion received August 13, 2004.	

DISTRICT NAME		PROJECT DESCRIPTION	UPDATE WEEK AUGUST 16-20, 2004
SOUTH BEACH	BAY ROAD	Drainage, sidewalk, landscaping, parking, roadway improvements, 1400-1600 Bay Rd.	Landscape installed. Project close-out expected in September 2004.
SOUTH BEACH	NEW 20-INCH WATER MAIN ON MACARTHUR CAUSEWAY & TERMINAL ISLAND WATER BOOSTER PUMP STATION (STH. BEACH, TERMINAL ISLAND)	The Scope of Work includes the construction of a new water booster pump station with two (2) 250-HP pumps, motors, variable frequency drives, electrical controls, emergency generator connections, control panels, HVAC system, all housed in a two-story structure with aluminum framed storefront window system, and remote connections through SCADA circuits to the Central Office Control Room at the Public Works Operations Yard, located at 450 Dade Blvd. The Project also includes installation of approximately 325 linear feet of 30-inch pipe, site landscaping; a 20-inch diameter water main, to be suspended along the north side of the MacArthur Causeway for an approximate distance of 2,600 linear feet, where it will connect to the City's existing water distribution system at the intersection of West Avenue.	As of August 16 construction mobilization complete. Soft dig utility locations done. Awaiting for FPL clearance letter before proceeding with work. Work will include removal of 2 ductbanks and an abandoned 16" water main.
MIDDLE BEACH	MIAMI BEACH GOLF CLUBHOUSE & MAINTENANCE BLDG (RESTROOM)	New construction of clubhouse, maintenance building, restrooms, and rain shelters.	Clubhouse building expected to be substantially complete by September of 2004. Current State environmental permitting issues may delay completion of the maintenance building (related to drainage wells). Two golf course restrooms with rain shelters are approximately 95% complete. North restroom to open in September, 2004, South restroom in October 2004.
MIDDLE BEACH	SCOTT RAKOW YOUTH CENTER (MID-BEACH, BAYSHORE)	Improvements to the community center per the City of Miami Beach Parks Master Plan, 1996. Phase I - New ice rink and exterior bathroom renovation. Phase II - Reconfigured main entrance to the Youth Center, interior renovation and redesign on first floor and mezzanine, new ADA-required elevator, and a gymnastics center.	Phase I - Substantially complete. City currently working to achieve final completion remaining items include architectural fins, and fire access modifications. Phase II - Additional enhancements are being studied with community members.
MIDDLE BEACH	42 ND STREET STREETScape (MID-BEACH, NAUTILUS)	42nd Street Streetscape Project is to provide a buffer between the residential area to the North and the commercial uses to the South. It includes a new water main, construction of traffic calming structures, grading of swales, repaving, pavement re-stripping, installation of planters, sodding and landscaping.	As of August 18, 2004 contractor installing plant materials and completing traffic calming features on the South side of Street. Scheduled next week to complete planters and balance of plant material. "No Parking" signs placed on North Side of street to alleviate community concerns.
MIDDLE BEACH	CONVENTION CENTER IMPROVEMENTS (MID-BEACH, CITY CENTER)	Renovation and ADA improvements to restrooms, doors, door hardware, and box offices.	Project 25% complete. Tentative completion Spring of 2005. Currently changing to a J.O.C construction contractor.

PROJECT DESCRIPTION			UPDATE WEEK AUGUST 16-20, 2004
DISTRICT	NAME
